

REBUILD UPSTATE

2021 SPONSOR PACKET

The idea is simple: the best home for an at-risk homeowner is the home they already have.

NEW CONSTRUCTION

When using volunteers, the average affordable housing home costs **\$120,000** to build.

For the same investment, Rebuild Upstate can repair and rehabilitate **20 existing homes**.

HOME PRESERVATION

MEET THE WRIGHT FAMILY

Mrs. Wright is blind and relies on memory to get around her home. Her husband was once her eyes, but a significant cancer diagnosis leaves him less able to help. Volunteers repaired the home so it remains a place where they can both age in place without concern of injury. After volunteers built a ramp, Mrs. Wright was able to feel her beloved oak tree in the backyard for the first time in five years.

HOLISTIC APPROACH

We are part of the solution to make sure our community's affordable housing needs are met - but we are not the only solution. In some cases, our neighbors must have a new house or a rental unit available. Rebuild Upstate specifically engages with community partners and volunteers to **provide critical home repairs for low-income homeowners in Upstate South Carolina.**

2021 SPONSOR OPPORTUNITIES

EVENTS

| | |
|----------------------|--|

A NOTE ON SAFETY & SPONSORSHIP

Rebuild Upstate is committed to hosting events throughout 2021 in the safest manner possible, relying on the advice of health professionals and in keeping with all local guidelines and regulations. Our events may look different than in prior years and may change format as we near event dates, based on a safe response to the pandemic. **We commit to recognizing sponsors in the best way possible regardless of how events are held** - and also respecting the public image of sponsors associated with our events. Thank you for your support of Rebuild Upstate as we continue to repair homes of people in need throughout this pandemic.

- Chris Manley , President/CEO & Founder of Rebuild Upstate

WAKE UP WITH REBUILD

Visit our website for the most up-to-date event information, including **date, time, and location** or virtual format. rebuildupstate.org/events

Wake Up with Rebuild is a free, informational event offering the opportunity to hear Greenville community leaders share thoughts on affordable housing in Upstate South Carolina. **You'll learn how Rebuild Upstate is serving homeowners in need – and how you can help.**

SUSTAINING SPONSOR

The idea is simple: if you protect the home, you protect the homeowner living inside it.

MEET MS. PAULETTE

Ms. Paulette called Rebuild Upstate when cold air was leaking through cracked windows. It was winter. Rebuild Upstate matched Ms. Paulette with volunteers, staff, and contractors who repaired her floors, doors, windows, bathroom, roof, and HVAC. Now, Ms. Paulette doesn't have to worry about falling and her utility bill is the lowest among her neighbors. She can age in place safely in her own home for years to come.

WHAT IS A SUSTAINING SPONSOR?

Partnering with community leaders is crucial to the success of Rebuild Upstate's mission to ensure that every person lives in a **safe and healthy home**. Sustaining sponsors are community partners who give at the **\$6,000 level** or above. This significant contribution ensures one home is restored to a safe and healthy level for one Upstate family.

YOUR SPONSORSHIP INCLUDES

- Optional build day volunteer opportunity
- Company logo featured on yard sign on build day
- Custom Press Release
- Recognition in newsletter/annual report
- Recognition on Rebuild Upstate website, blog, and social media
- Invitation to annual Sustaining Sponsor event
- Invitation to participate in Annual Impact Call
- Recognition at all 2021 events and in our office year-long
